HUMAN TRAFFICKING

STALKING

Do you want a confidential conversation?

The Office for Violence Prevention and Victim Assistance (VPVA) has a trained advocate on call 24/7 at 848-932-1181 who can give you information on your options so you can make an informed decision.

Your options may include:

- Trauma-informed counseling
- Reporting the incident
- Changing your living situation and/or class schedule
- Medical & legal assistance

Do you want to report this incident?

You have the option to report to the police and/or the University. You can report online, call directly, or a VPVA advocate can help.
